

Welcome to Everest Group

EVEREST GROUP

FOREVER SPECIAL SPACES

Introduction

- India has emerged as one of the most powerful developing markets in the world. We have managed to get everyone's attention, and other countries are more than ready to invest in our market provided we give them the right infrastructure.
- We at Everest Group have carved a commendable niche in the Real Estate arena. Every project we have undertaken has contributed to bringing about a paradigm shift in the workspace culture of the metropolis. Being keen market watchers, we are known for our path breaking innovations, dynamism and reliability in the field of contemporary real estate. Our business is not just about property development. It's about realizing buyers current demand and creating the kind of work environment and support services that exceed their expectations. Our new venture Everest InfoTech Park II is a reflection of our beliefs.

- With that thought in mind the group's latest offering EVEREST INFOTECH PARK – II is stylishly planned and designed , sustainable community where work , lifestyle and learning will each add strength to the other . The park's generously spaced interiors are crafted to accommodate the most demanding corporate capacities , making it possible for your office area to be as expansive as you would like it to be . The entire premise is positively compliant with the harmonizing and purifying values of Vaastu Shastra.
